

Dear Patients,

As the COVID-19 pandemic continues to evolve we are updating our processes and procedures to coincide with the current situation both nationally and locally. We, at Locust Family Dentistry, want to assure you that the continued health and safety of our patients and team members is our priority concern. To ensure your well-being as well as our employees, we kindly ask the following:

- Please arrive for your appointment at the time of your appointment and not before
- Please have family members remain in the car during your appointment if age-appropriate
- Once in the clinical area, please wash your hands and practice social distancing.
- We suggest that our patients wear face masks in and out of the building.

Thank you for your understanding and well wishes to everyone from all of us at Locust Family Dentistry.
